

On the Course to Recovery was a HUGE success, thanks to YOU!

On July 31st in collaboration with [The Overdose Prevention Agency Corporation \(TOPAC\)](#) we hosted our 1st Annual "On the Course to Recovery" Golf Outing at Mercer Oaks in West Windsor. It was a quintessential sunny day, we had 84 golfers, another 50+ attendees for our evening programming, and we far exceeded our fundraising goal. **What a success!**
