Keep this page for your records

This is The Overdose Prevention Agency Corporation's (TOPAC) second annual run/walk. Veteran's Park in Hamilton Township is a beautiful area with walking/running paths, a lake, soccer fields, baseball fields, and more. There will be plenty of water stops for all walkers and runners. We appreciate your donation and encourage everyone to create a team for additional donations.

We would like participants encourage your friends to donate to the TOPAC Gofundme charity if they are not already running or walking. Your donation will save a life and give another chance for recovery. All funds will be used for education regarding the Overdose Prevention Act and training on the application of overdose medications. Together we can give more families a chance to save a loved one and not suffer the heartache so many others know too intimately.
